*Jack Daniel's - Grey Goose/Le Caprice - Charlie And The Chocolate Factory The Musical*

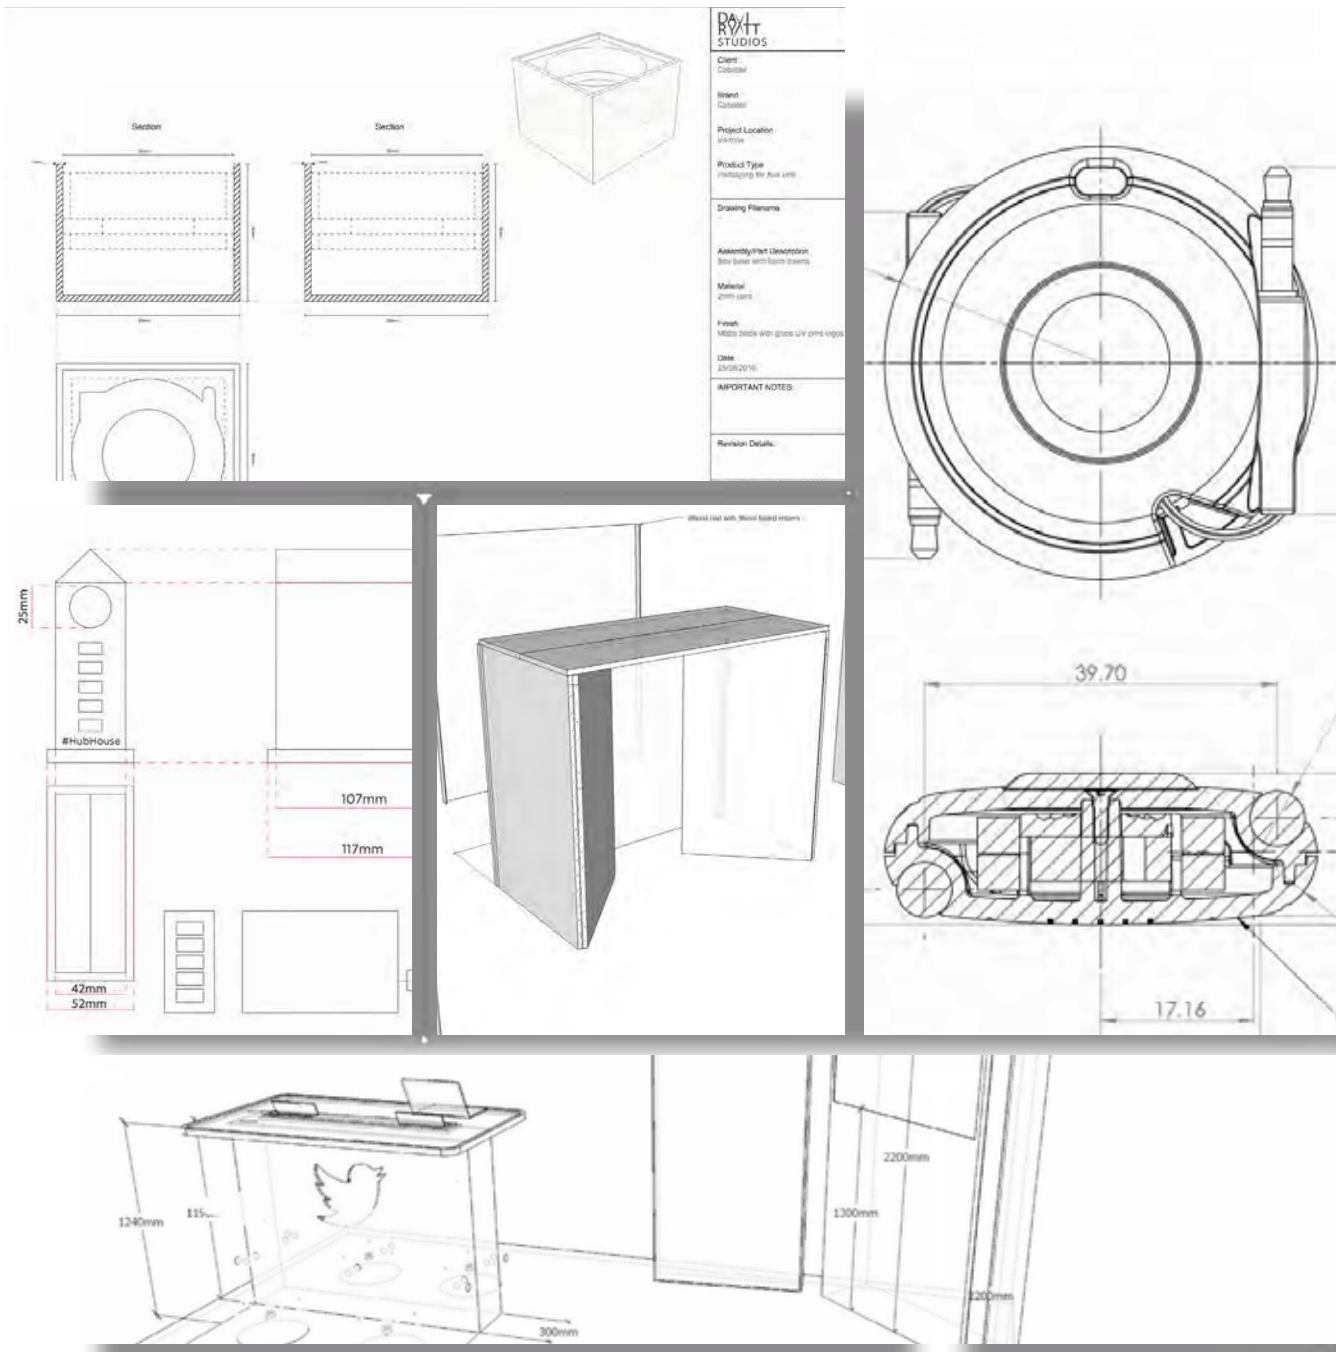

# 2D & ARTWORKING - Album Cover Art

# Technical Drawings

# TECHNICAL DRAWINGS

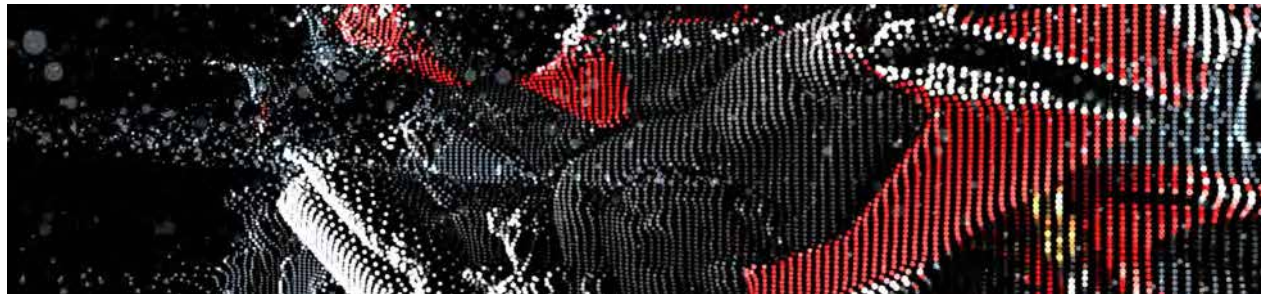

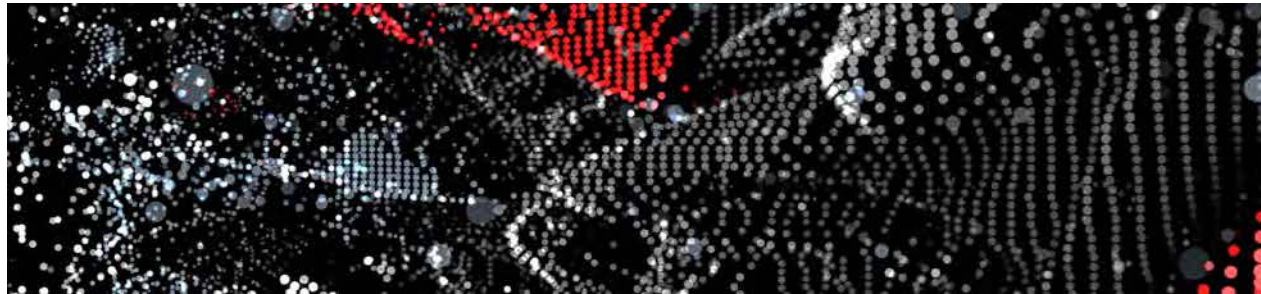

Often designs for manufacture will require technical drawings. This makes it easier for the supplier and the client to see exactly what they are getting.

The scale of technical or layout drawings can be for anything from small gadgets to full scale exhibition stands and event rooms.

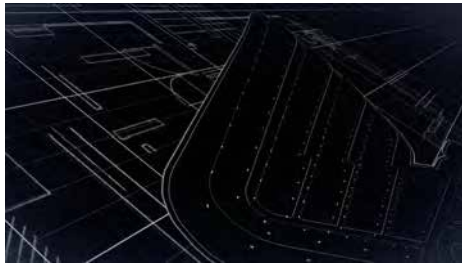

**3D Animation:**
